## Hospital Meets

The rate payers of the Little Bow Municipal Hospital district held their second annual meeting in the town office Carman, gay last Wednesday afternoon.

D H Russel occupied the chair. The Financial Statement was presented by the board Secretary James McNaughton and showed a small surplus.

The meeting accepted the report as satisfactory, especially in light of the large amount of expensive equipment purchased such as an operating table and additional X ray equipment. In the past year 423 patients have received treatment. The mill rate for the hospital is set at 1 1/2 to meet the yearly expense of \$10,156.00. It was reported that requisitions from the municipalities in the district were being satisfactorily met.

It was also reported that the government inspector, on his visit to the hospital in October had expressed satisfaction with the institution general and was particularly pleased by the efficiency shown by Miss Dorothy Ireland in handling the business details and in her capacity as a matron. Reports were given by Mrs. A. F. Wilson, President of Womens Auxiliary and Mrs. W. Nelson, secretary regarding activities for the past year. \$90 was donated in addition to the mending etc which was done.

Further discussion took place regarding salaries, resident doctor, visiting hours etc.

## Correct Marks For Ballots

One week from our date of publication, on March 21st the electors of the constituency of Little Bow will go to the polls to make a choice between two candidates for the position of M. L. A. Two things must be stressed as very important. The first is that everyone entitled to a vote makes use of that right. The second is that on marking your ballot you do so correctly. As there are two candidates there is no second choice. Your ballot will be marked in one space only, that is opposite the name of the candidate of your choice. The mark is not an X but a figure 1. A spoiled ballot counts for no one, therefore exercise great care at the polls on March 21.

In regards the Dominion Election the mark is X. In this case there is no second choice. Your choice is limited to a single Candidate of the four contesting this Federal Constituency.

## LOCALS

Miss Ruth Tindall, who has been ill for the past month is reported improved.

Were glad to see both Mr. U. S. Alexander and George Depue around again after a bout with the flu.

Mr. and Mrs. M. Groves were business visitors in Lethbridge Wednesday.

## Last Word From Publisher

In this our last issue before the Provincial Election we urge every qualified elector to go to the polls March 21. The issue is clear, do you approve of the action of the Aberhart Government during its term of office or do you believe that as good as their ideals are that it is unsuitable having in view the system under which the Dominion is constituted. Having been closely associated with Hon. Peter Dawson and Mr. Griffin we have no hesitation in saying that both are outstanding men well qualified to represent the expressed wishes of the Electors. Mr. Dawson while speaker of the house brought marked approval from all parties while the management of M. D. district and his farm has brought recognition for his ability to Mr. Griffin not only in the immediate district but in the province.

This paper tells no person how to vote we believe in the same judgement of the electors. Our staff as individuals are free to vote as they please and we are confident that our intentions to be fair to both sides are appreciated by all and that we have the confidence of both candidates. March 21 is a milestone in the headway of the province. It will decide the wishes of the people as regard Social Credit being who has a part in the determining of Alberta's future.

Mrs. C. A. Williamson entertained Wednesday afternoon in honor of Mrs. De Bolt.

Eric Deimert is home for 6 days. He looks fine and says he feels the same.

## G. R. DAVIS

Conservative Candidate

Grier Rider Davis, National Conservative candidate for the Macleod Federal Constituency has lived in Southern Alberta practically all his life. His father, the late DW Davis, came to Alberta in 1870. His mother was also a pioneer family, being a daughter of the late James Grier and a sister of Curran Grier and the late DJ Grier, pioneer ranchers and wheat growers of the Macleod district. As a boy, Mr. Davis accompanied his family to the Yukon and lived there from 1897 to 1902 during the gold rush days. From 1902 to 1906 he attended Upper Canada College at Toronto and then returned to Macleod. He was actively engaged in farming for about fifty years and still owns the old homestead on the Belly River where the late Frank Strong and DW Davis operated a horse ranch in the eighties and nineties.

He was Sheriff and Clerk of the Supreme Court of the Judicial District of from Macleod from 1924 to 1934 when he resigned to take over the law practice of Joseph D. Matheson KC, who was elevated to the Bench. He has been practising law in Macleod from 1934 to the present time. He served on the Town Council for two years and was elected Mayor in 1939. He is married and has one son. In Federal politics he has been a Conservative; in Provincial politics he took an active part in the UFA movement and was official agent for the late W. H. Shield in 1921 and 1935. He is well acquainted with the conditions in the Macleod Federal constituency and he states that he will support all legislation beneficial to agriculture, coal mining or the oil industry in his constituency.

### Be Prepared

This paper as well as many of those who are studying the war situation wish to prepare the people for an offensive on the western front during the next week or so, indeed it may break before this goes to press.

It is true that from the moment war broke out last September the old land has been prepared for the unexpected raid but it is taken more or less now for granted that Germany will open up an offensive within a few weeks the like of which has never been seen and readers should prepare themselves for black days ahead.

There is no question about the ultimate victory of the Allies but our leaders are not discounting the fact that Germany will use every means to achieve not only her goal but to inflict misery and suffering upon helpless people, and thus hope to break the spirit of the people.

In asking our readers to be prepared for an offensive we have in mind that some acts committed by the enemy will be revolting to our Canadian minds but that our readers should not become down hearted but on the contrary be braced for such acts and feel in deciding to stand shoulder to shoulder with Britain and France, Canada could do no other than defend the things which we all hold dear.

### All Should Vote

We were disturbed to hear a lady say the other day "I am not going to vote, for I see no difference in any of the parties." We feel that this lady is not doing her share to improve matters by such remarks or proposed action.

Under the British system we are given the privilege of selecting our representative who in turn influence our government policy. Only in so far as each and every one exerts their influence for good and efficient government can any reforms be achieved.

Think well before you cast your ballot but show your citizenship responsibility by polling your vote on election day.

## IN THE ANCIENT ROMAN EMPIRE

In 400 B. C. beer was popular with the Armenians, while during the first century of the Christian era the Germans and the natives of West Europe (Spain, and Gaul) improved the process, and beers made from barley and malt was the popular drink. The Romans were also brewers of Beer. Barley was known to them says Virgil who uses it in the plural form "hordea." Beer and vinegar were the drinks of Caesar's soldiers.

## BENNY SKI THEME NOT JUST A GAG

Hollywood, Feb. 26—Jack Benny's didoes on the slippery slopes of the Yosemite ski trail currently occupying his Sunday night broadcasts as heard over CFAC for the past few Sundays at 5:00 p. m., actually occurred Jack, Mary Livingstone, and and writers Bill Morrow and Ed. Beloin, hid themselves to Yosemite Park immediately after the benefit broadcasts from Oakland, to indulge in some winter sports and prepare the following week's scripts. Jack's attempt to soar off a hillside with skis instead of wings, provided the comedy plot the writers were looking for, although Benny didn't think the experience so amusing at the time.

## NEW SEED IS THE BEST!

### Carmangay

At the home of Mr and Mrs Emerick Laezco on Saturday evening March 13th a card party in aid of the Women's Hospital Auxiliary was held. Ten tables were in play the honors going to Mrs Roy Church, Miss Grace Aovde, Mrs George Greene and for men, Emerick Lazo Roy Church and Chas. Dick. An enjoyable time was reported, and the sum of \$11.25 was realized. The roads were bad, and so this splendid attendance showed the enthusiasm for the hospital.

The concert put on by the school children who took part in the Music Festival at Nobleford was well staged and attended by a good number.

The meeting held in the community hall Tuesday afternoon in the interest of Ed Griffin was well attended. In support of Mr Griffin as speakers were Mrs Oldfield of Milo and Mr MM Poster KU of Calgary, who were very convincing in their addresses.

Mrs Beaumont accompanied her daughter Mrs Carter when she went to Calgary on Sun. driven by her son Russell.

Peter Dawson elected in Little Bow, majority of 108 votes in 42 polls, one poll of 3 votes yet to be heard from.
